Glimpses of the Presbytery at Work

Where in the world does our money go? It is a question asked often about giving to the mission of the church. It is also a question that will be addressed at a special event as Denver Presbytery welcomes the Director of World Mission of the Presbyterian Church (USA), the Rev. Dr. Hunter Farrell. On September 12 at 2:00 p.m. a special reception for Dr. Farrell will be held at First Church Englewood. There will also be displays of the various ways our own presbytery shares in mission both locally and globally. At 3:00 p.m. in the sanctuary of the church, Dr. Farrell will address us on directions and accomplishments of Presbyterian world mission. All are invited to this very special time.

The Presbytery of Denver – "We serve congregations, minister with those who minister and reach out."
